St. Claire of Assisi

Dear Saint Anne School Parents,

We are very excited to share with you the hiring of three new teachers at St. Anne. All of the teachers are valued assets as evidenced from their prior experience and academic qualifications. As stated in the previous announcement, Mrs. Yesenia Gonzalez, will be teaching fourth grade during the 2019-2020 school year. She will also be filling the role of Assistant Principal, for which we are so grateful.

Ms. Tamika Carter is our new third grade teacher. Ms. Carter has a Bachelor of Science in Media Communication from Lawrence Technological Institute and a Master of Art in Teaching Curriculum and Instruction from Concordia University-Portland. Tamika has spent the past five years teaching in elementary classrooms. Her previous position was in third grade at Quest Academy in Las Vegas. St. Anne is very happy to welcome this experienced educator.

Our new first grade teacher is Mrs. Jessica Lawson. Mrs. Lawson has a Bachelor of Liberal Studies in Education from San Diego State and is pursuing her Masters. Prior to this year, Jessica was the first grade teacher at St. Stephen Martyr School in Los Angeles for five years. We are thrilled to welcome such a passionate educator to our St. Anne family.

Music will be taught by Mr. Connor McIntyre. He filled a long term substitute position last year at Saint Elizabeth Ann Seton School in Las Vegas. He is furthering his education at the College of Southern Nevada. He has been teaching music since 2017. St. Anne is fortunate to have Mr. McIntyre leading our students in music education.

I would also like to inform families that Mrs. Yvette Andes will serve as our interim second grade teacher until further notice. She comes to us from Saint Elizabeth Ann Seton School as well. She is pursuing her master's degree at Grand Canyon University in literacy. Saint Anne continues to be blessed with excellent educators.

We are looking forward to the 2019-2020 school year being a year of many blessing for your children with these fine additions to our staff!

Many Blessings in the Lord,
