

Saint Anne Catholic School

Week of August 31st – September 1st

WELCOME CRUSADERS

At Saint Anne, the safety of the students, faculty, and families are top priority every day. While health and safety standards are followed on a daily basis, we want to ensure everyone stays healthy during this time of heightened concern. The Diocese continues to closely monitor developments. Regular cleaning with sanitary wipes of frequently touched surfaces and providing classrooms with hand sanitizer has been implemented. Students are being consistently reminded to wash their hands as well. We ask if your child shows symptoms of being sick to stay home.

Academically, students are beginning to take diagnostic tests for Accelerated Reader and Math Facts. This data will inform teachers of which gaps need to be addressed for individual students.

MONDAY, August 31st

- Prayer and Flag led by 7th Grade

FRIDAY, September 4th

- 8:30am School Mass, 6th Grade leads and 5th attends
- Noon Dismissal, afternoon teacher in-service

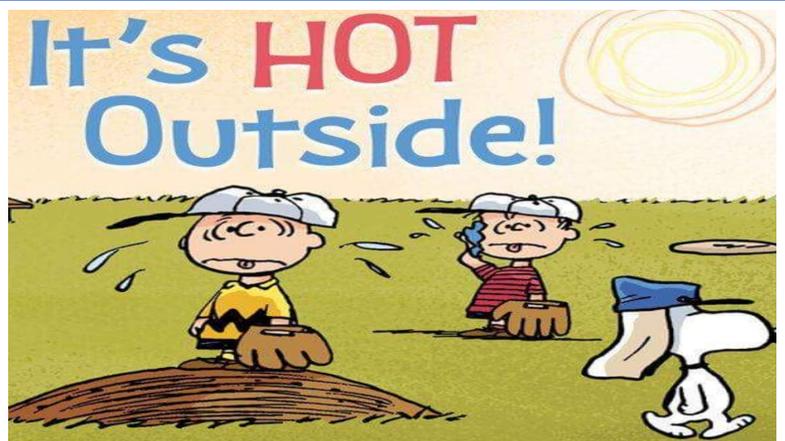

Friday School Mass at 8:30am

Please join our school community by watching Friday's Mass live on Facebook at 8:30am. We eagerly await the day when all classes and families can join us at Mass again.

@stannelv · Catholic Church

August has brought very high temperatures. Please send your child(ren) with a lot of water to school. They are also permitted to wear a hat when outside. Our water bottle refilling stations should be installed by the week of September 14th. Also, please know students will have minimal time outside during the hottest days of the week.

We monitor the weather daily.

THANK YOU!

Saint Anne wants to show its appreciation to all families and faculty for following safety protocols. Please continue to follow the correct traffic patterns at arrival and dismissal. Also, students are doing an excellent job wearing their masks. Remember they should be cloth and washed daily. Disposable masks cannot be worn twice, and we are not allowing students to wear gator masks. Face shields are permitted with a mask worn underneath.
