The National Junior Honor Society, at St. Anne Catholic School, invites our school community to participate in remembering October 1, 2017.

We want to remember and pray for all of those who were affected by the tragedy on October 1st. As a school we will hold a prayer service and a moment of silence on Friday led by NJHS.

One of the pillars of NJHS is service, thinking of others and giving back. There are many foundations that are still taking donations to help those affected. We will be donating our funds to: **The Vegas Strong Resiliency Center which is dedicated to serving as a resource and referral center for those affected by the shooting at the Route 91 Harvest music festival in Las Vegas. Victims include concert attendees, their family members, emergency responders and bystanders who tended to victims and citizens who may be struggling with emotional or mental health impacts from the incident. Together our community is becoming Vegas Strong as we support those affected by the 1 October shooting incident.**

On October 1, 2021 we invite every student to bring in a donation. Along with the donation, students are encouraged to wear a Las Vegas T-shirt/Vegas Strong t-shirt with jeans. We are asking everyone for at least a minimum donation of \$1.00. A dollar from every student would bring Saint Anne's donation over \$200.
