Parent Teacher Conferences

The teachers are ready to discuss your child's progress during conferences. Remember, the teachers do not need to do all the talking. It is your time to ask questions, gain a better understanding and advocate for your child. Is there something about your child we don't know? Conferences are meant for two-way communication between parents and teachers. Utilize this time to the fullest! You will receive trimester 1 SLE and progress report.

Weekly Student Learning Expectation

Lifelong learner who develops independence in learning.
