WELCOME CRUSADERS

Progress Reports are right around the corner. Mr. Valois and Mrs. Solomon went to each classroom in grades 3-8 to reward the students who have met their AR goal.

The **National Junior Honor Society (NJHS)** is an international student organization that consists of chapters in middle schools (grades 6–8). The NJHS was founded by the National Association of Secondary School Principals, and today has chapters in the United States, other U.S. Territories, and around the world.[1] To be considered for the honor of membership applicants must reach the five standards which include leadership, citizenship, character, service, and scholarship. The National Junior Honor Society teaches students how to become a leader, also NJHS helps students learn good citizenship to use later on in their life.
