BLESSING OF THE ANIMALS

Monsignor Gordon and Student Council invite all Saint Anne families to participate in Blessing of the Animals. Saint Francis of Assisi is the Patron Saint of animals and his Feast Day is October 4th. Annually in his honor we invite each of you to bring your pet before dismissal to be blessed. Friday, October 4th is a half day. Blessing of the Animals will take place on the black top and begin at 11:30am. If your pet is skittish or does not play nice with other animals, we ask you bring the collar or another symbolic representation to have that blessed.
