Our virtue this week is GRATITUDE

The meaning of our virtue of the week is focusing on what's good in our lives and being thankful for the things we have. As we enter Holy Week, we continue to pray, fast, and give alms. Now is also the time to express GRATITUDE to our Lord for dying for our sins. We want our children to express GRATITUDE for their Easter baskets, but even more for Jesus Christ. Talk to your child this week about what it means to be grateful and how it relates to our faith.

Students in grades 2-8 and staff will be taking the ARK test this week. ARK stands for Assessment of Religious Knowledge. It is a short, multiple-choice test that asks straightforward questions to assess your knowledge of the Catholic Faith. Question comes from six main topics: the Creed, the Sacraments, morality, prayer, Christian discipleship, and virtue. ARK is not for a grade. Your child does not have to study for it! We are committed to using our results simply to do a better job serving you, the families of Saint Anne Catholic School.

Save the date: May 5<sup>th</sup>

Information will be coming home with your student this week!
