Our virtue this week is WISDOM.

The true meaning of WISDOM is the ability to make good judgements based on what you have learned from your experiences, or the knowledge and understanding that gives you this ability. Ask you student how they used prior knowledge to make a decision each day this week.

April 17, 2023

Dear Principal Carpenter,

On behalf of Honor Flight Southern Nevada and the 25 Veterans who traveled to Washington D.C. April 14-16, 2023, I would like to thank you and Saint Anne Catholic School so very much for participating in HFSN's Mail Call.

During the return flight from Washington D.C., each Veteran was surprised with a large envelope containing cards and letters from friends and loved ones, including yours. The idea was to simulate "Mail Call" just like they had when they were away from home during their time of military service. There are no words to describe the joy, pride, and love they felt as they read their cards and letters. The Veterans were deeply moved by your thoughtfulness and appreciate the time you took to write to them thanking them for their service.

Once again, thank you for your efforts and your willingness to make a difference in the lives of our Veterans.

Sincerely,

*Kelli Reed*
